

SUNDANCE Community FOOD PANTRY

Friends Sharing with Friends

A community food pantry has been set up to share food with our neighbors, when they need a helping hand.

Non perishable food, even pet food, may be dropped off at 6201 Sundance Dr, or brought to any community activity.

Please, if you know of anyone, a friend or neighbor, who may need some extra food, from time to time, you can contact me at 574-596-0946. If you need help, please reach out to me. All information will be kept confidential.

Thank You!

Michelle Converse
